SERIES OF FRUIT MEETINGS PLANNED

Ozark Association Representatives Will Visit Many Growers' Organizations.

A series of meetings to obtain a stronger selling organization for the strawberry growers of the Ozark district will commence today and continue through next week. The principal speaker will be P. A. Rodgers, general sales manager for the Ozark Fruit Growers' Association.

No person has had the experience in the marketing of strawberries that has been obtained by Rodgers in the fifteen or more years that he had played a principal part in the industry in this district. When he became manager for an association of growers' local associations, he found the strawberry business purely on a consignment basis. Growers were organized to ship only and upon receipt of their fruit at market it brought the purchaser's price.

While the organization now handling the crop might be improved upon and is improving each year, it is the belief of many students of conditions that perfection will not be materially approached until all berries are marketed through one central association. The Ozark association is the largest of its kind in the middle west and in the last few years has gained greatly in strength and prestige.

Its procedure will be explained by Rodgers and Charles Carmichael, field man for the association, in the meetings announced yesterday.

The schedule of meetings follows: Thursday, November 9, 2 o'clock, Crane.

Thursday, November 9, 7:30 o'clock, Galena, Mo.

Friday, November 10, 2 o'clock, Peirce City.

Saturday, November 11, 2 o'clock, Verona.

Monday, November 13, 2 o'clock, Aurora.

Tuesday, November 14, 2 o'clock, Marionville.

Wednesday, November 15, 2 o'clock, Republic.

Thursday, November 16, 2 o'clock, Billings.

Friday, November 17, 2 o'clock, Logan.

Saturday, November 18, 2 o'clock, Butterfield.

Mr. Trolinger was 66 years old. He had served the county as circuit clerk for one term and had served as deputy a number of years before elected to office. He was a prominent worker in the Christian church, an honorable citizen, well liked by all who knew him.

JOSEPH GLEAVES DIES OF PNEUMONIA

Joseph Gleaves, 66 years old, died of pneumonia, at 8:30 o'clock Wednesday evening, at his home on Marshall Hill. He had been sick nine days.

Funeral services will be held at the home of his son, H. B. Gleaves, 203 County Road street, at 2 o'clock Friday, November 10 and interment will be made in Oakdale cemetery.

Mr. Gleaves was born at Cambridge England, May 4, 1856. He came to the United States in 1888. He and his family came to Monett from Galveston, Texas, fifteen years ago. After coming here Mr. Gleaves worked for some time for the Frisco railroad. After his son, H. B. Gleaves went into the restaurant and hotel business here, he was associated with him. When he became ill, Sunday, October 29, he was employed at the Broadway Hotel.

REED IN LEAD BY 30,000

Majority of 42,000 in Republican Stronghold of St. Louis Responsible For Victory.

St. Louis, Mo., Nov. 8.—By virtue of a plurality of 42,000 in the city of St. Louis, which went Republican in practically every other instance by from 10,000 to 25,000, Senator James A. Reed was reelected to the United States senate defeating R. R. Brewster, Republican, by from 25,000 to 30,000 votes.

Senator Reed's immense plurality in the Republican stronghold of St. Louis stood him in good stead, for as the belated reports from precincts out in the rural districts came in it was apparent that he was being heavily knifed by the Democratic voters, and his lead, which at noon had stood at 50,000 votes, had been cut down in the early evening to 33,000.

At that time 3,489 of the 3,876 precincts in the state had been heard from, giving Reed 459,307 and Brewster 425,927, and the indications were that the senator's plurality would be still further reduced.

In sharp contrast to the vote for Reed in St. Louis were the figures from Jackson county, including Kansas City, the home of both Reed and Brewster. Reed's followers had predicted he would carry the county by 25,000, but with only 25 of the 389 precincts missing, Brewster had 56,289 and Reed 55,521.

From Jasper county, the starting point of the war on Reed which caused his repudiation only two years ago by the delegates to the state Democratic convention, comes word that the same county is to be the launching point of a presidential boom for the senator. Former Congressman Purl Decker and other Reed followers held a meeting this morning and formulated a plan for the organization of a "Reed for President" club.

While St. Louis was piling up the needed 42,000 plurality for Reed, the city was going almost solidly Republican. The entire Republican city ticket was elected, as were two of the three Republican candidates for Congress from St. Louis districts. Harry Hawes was the successful Democratic congressional candidate from a St. Louis district, being reelected to that office. Out in the state, while Reed was running far behind the rest of the ticket, the Democrats captured almost every state office. They elected a Democratic superintendent of schools and three judges of the state supreme court and at least eleven of the 16 congressmen chosen. The Republicans will probably get five members of the next congress. In the present congress, the Democrats have only two representatives.

The next state legislature, both branches, at present Republican, will probably be overwhelmingly Democratic and hostile to Governor Hyde.

The only woman in Missouri running for congress, Mrs. St. Clair Moss, of Columbia, a Democrat, was defeated.

MONETT TO CELEBRATE ARMISTICE DAY

American Legion, Two Bands, Civic And Fraternal Organizations and School Children will Parade.

Monett will celebrate Armistice Day on Saturday, November 11. The American Legion is taking the lead and E. M. Price, the Post Commander is doing his best to make this a day of rejoicing and jollification, as well as keeping in memory the brave soldiers who gave their life for their country. He will be ably assisted by Homer F. Lee, band director, and by the different civic and fraternal organizations of city and country.

It is hoped that every man, woman and child in town will swing into the mammoth parade which will leave the ball park on East Broadway at 10:00 a. m. The American Legion in uniform will head the parade. Lee's Concert Band and the DeMolay band will play. The Boy Scouts will march in line, as will the striking Federated Shop Crafts and civic and fraternal organizations of the city. Floats and decorated vehicles will be a feature.

The school children, with horns and drums, are expected to take a noisy and lively part in the parade. The line of march will be over the principal streets of the city.

Following the parade a band concert will be held at 12 o'clock. The Ladies Auxiliary of the Federated Shop Crafts will serve chicken dinner at 507 Broadway.

At 2:30 o'clock Monett and Webb City high school football teams will play a conference game on the high school gridiron.

Lee's Concert Band will give the last concert of the season at 7:30 o'clock. Following this will be a sham battle and aerial display at the ball park, then the grand ball by the American Legion at 9:30 o'clock.

The Monett Banks will be closed all day Armistice Day. dt2wt1

BARRY COUNTY GOES DEMOCRATIC

Barry county went Democratic at the election held Tuesday, the Republicans probably getting three officials. The vote is very close on some and the absentee vote may change the result.

The race between D. B. Meador and A. D. Alsop for prosecuting attorney was very close. It was at one time reported that Meador was in the lead, but an error had been made in the count, which, corrected, gave Alsop Democratic candidate 100 more votes than first reported. It is probable that Alsop will be the winner by 50 or 75 votes.

John C. Snider, Republican candidate for clerk of the county court, is reported elected by a small majority. John R. Wallen is probably elected judge of the probate court and M. H. Roberts judge of the eastern district. For all the other county officers the democratic candidates were elected.

Of the state and district candidates Barry county gave R. R. Brewster a small majority over James A. Reed for U. S. Senator, Joe J. Manlove, a small majority over F. H. Lee for congressman and Larry Brunk, a small lead over Dr. D. N. Dabbs. C. L. Henson, Democrat candidate for circuit judge will have 800 majority over D. H. Kemp, the Republican candidate.

No count has been made on the amendment vote and no report can be obtained until after the official count which will be made Friday.
